

LAKEHAVEN UTILITY DISTRICT  
King County, Washington

**Resolution No. 2001-939**

A Resolution of the Board of Commissioners of Lakehaven Utility District, King County, Washington, authorizing the performance of video inspection of private side sewer lines by District personnel and establishing a system of fees and charges to be collected for such services.

**WHEREAS**, District crews regularly perform maintenance activities on the District's sewer collection system, including the inspection of sewer mains and appurtenances by video camera, and

**WHEREAS**, in the course of performing such maintenance, District personnel are periodically contacted by customers with questions and/or concerns regarding the condition of their private side sewer line, and

**WHEREAS**, malfunctioning side sewer lines can cause or contribute to problems within the District sanitary sewer system, and

**WHEREAS**, it is not possible to accurately assess the condition of a side sewer without performing a visual inspection of the side sewer line, and

**WHEREAS**, District sewer maintenance personnel, utilizing District equipment, are capable of performing video inspection of side sewer lines to determine the condition of the side sewer and help insure that such facilities function properly, and

**WHEREAS**, being authorized under state law to provide, and levy and collect charges for, the video inspection of private side sewer lines and believing such to be of benefit to the operation of the public sanitary sewer system,

**NOW, THEREFORE, BE IT RESOLVED** as follows

1. The District is hereby authorized to enter into written contracts with commercial and residential property owners to provide for the inspection of side sewer lines using District personnel and equipment. Video inspection services shall be performed only at the written request of the property owner and upon such terms as shall be approved by the District's General Manager.
2. The charge for video inspection services shall be as follows:
  - a) Minimum two-hour charge for District camera, truck and service person at \$135.00.
  - b) \$45.00 for each additional hour, or portion thereof, of service person and equipment time.
  - c) \$40.00 per hour, or portion thereof, for each additional service person.
