**PETITION for STREET LIGHTING SERVICE**

**TO**

**LAKEHAVEN UTILITY DISTRICT**

**King County, Washington**

TO: Board of Commissioners  
Lakehaven Utility District  
King County, Washington

THE UNDERSIGNED, who constitute not less than sixty percent (60%) of the owners of the area of land for which street lighting service is petitioned, respectfully petition that the property described on Exhibit "A" attached hereto, be provided street lighting services by Lakehaven Utility District, King County, Washington.

We understand that in the standard street light system configuration, where one street light is installed to serve six lots, a monthly service charge of \$2.00 per lot or such sum as the Board of Commissioners may determine is reasonable for the service provided, pursuant to inflationary increases and / or rate increases from Puget Sound Energy shall be levied upon formation of the street lighting system and expiration of the 30 day period for filing appeals, which appeals must be filed with the Board by no less than 40% of the voters registered in the area to be serviced. In circumstances where the street lights serve more, or less, than six lots, then the amount of the monthly charge shall be adjusted such that the District receives the equivalent \$12.00 cost, or such other sum as the Board shall establish, from the properties served thereby. The appeal period commences upon the Board of Commissioners' approval of the street lighting system. Multiples of the monthly sum may be charged when less than six (6) lots are paying for a street light. Said monthly service charge shall be collectable by Lakehaven Utility District in the same manner as water service charges, i.e., lawsuit, termination of service, lien and foreclosure.

Based on the number of lots for the above mentioned development, the individual charge per lot shall be \$ 2.00 per month.
