WHEREAS, notice was duly published that a public hearing on the issue of street lighting in the aforesaid area would be held at 6:30 p.m. on the 14th day of March 2013, at 31531 1st Avenue South, King County, Washington, and

WHEREAS, the hearing was duly and regularly held at the aforesaid time and place before the Board of Commissioners and the Board heard all persons desiring to be heard on the matters regarding the street lighting, and

WHEREAS, it appears that street lighting in the area should be provided,

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Lakehaven Utility District, King County, Washington, as follows:

SECTION 1: That street lighting for the realty known as Marine View Estates Addition 12th Ave SW between 301st and 304th, described in the Petition for Street Lighting Services attached hereto as Exhibit "A", is hereby ordered to be provided by the District, subject to Sections 2 - 5.

SECTION 2: That property owners served by said street lighting will pay to the District upon the effective date of the provision of street lighting service and thereafter such sum as shall from time to time be determined by the Board of Commissioners as the charge for street lighting service.

SECTION 3: The effective date for provision of service shall be April 13, 2013, subject to the filing, prior thereto, of a petition in opposition to the street lighting system established herein by at least forty percent (40%) of voters registered in the area to be served by the system.

EXHIBIT A
PETITION for STREET LIGHTING SERVICE
TO
LAKEHAVEN UTILITY DISTRICT

King County, Washington

TO: Board of Commissioners
Lakehaven Utility District
King County, Washington

THE UNDERSIGNED, who constitute not less than sixty percent (60%) of the owners of the area of land for which street lighting service is petitioned, respectfully petition that the property described on Exhibit "A" attached hereto, be provided street lighting services by Lakehaven Utility District, King County, Washington.

We understand that in the standard street light system configuration, where one street light is installed to serve six lots, a monthly service charge of \$2.00 per lot or such sum as the Board of Commissioners may determine is reasonable for the service provided, pursuant to inflationary increases and /or rate increases from Puget Sound Energy shall be levied upon formation of the street lighting system and expiration of the 30 day period for filing appeals, which appeals must be filed with the Board by no less than 40% of the voters registered in the area to be serviced. In circumstances where the street lights serve more, or less, than six lots, then the amount of the monthly charge shall be adjusted such that the District receives the equivalent of the cost, or such other sum as the Board shall establish, from the properties served thereby. The appeal period commences upon the Board of Commissioners' approval of the street lighting system. Multiples of the monthly sum may be charged when less than six (6) lots are paying for a street light. Said monthly service charge shall be collectable by Lakehaven Utility District in the same manner as water service charges, i.e., lawsuit, termination of service, lien and foreclosure.

Based on the number of lots for the above mentioned development, the individual charge per lot shall be an additional \$1.81 per month.
