

2023 Monthly Residential Water Charges (7ccf/mo, smallest meter)

2023 Monthly Residential Sewer Charges (7ccf/mo)

- Some jurisdictions have higher water rates in this customer class for summer use. Where applicable, the rate is averaged between winter and summer.
- Graphs show single family rates only. In most cases, the difference between Lakehaven commercial rates and those of other agencies is larger.
- This chart shows a comparison of published water and sewer rates as of 1/23/2023 and will not reflect any subsequent updates.
