

**LAKEHAVEN UTILITY DISTRICT
King County, Washington**

Resolution No. 95-778

A RESOLUTION of the Board of Commissioners of the Lakehaven Utility District, King County, Washington, modifying the customer assistance program to permit, in extenuating circumstances, the receipt of assistance on multiple occasions during a year and amending Lakehaven Utility District Resolution No. 93-715 Section 4(c).

WHEREAS, by prior resolution, the Board has established a program to assist financially disadvantaged customers in meeting their sewer and/or water bills, and

WHEREAS, in order to make the program available to as many customers as possible, the District has placed a limitation on the receipt of assistance to one occasion per year per customer household, and

WHEREAS, the Board recognizes that in cases of severe and extraordinary financial hardship, the opportunity to enjoy benefits under the program on more than one occasion per year would more fully provide to such disadvantaged customers the intended benefits of the program, and

WHEREAS, the Board considering the modification of the program to allow the multiple receipt of assistance to be in the best interests of the program and the District's customers in need of benefits thereunder,

NOW, THEREFORE, BE IT RESOLVED that:

1. Resolution No 93-715, Section 4(c), is amended to hereinafter read as follows:

"4.(c) Except where extenuating circumstances exist, as shall be determined by the District on a case by case basis, in which case no limitation shall exist as to the number of times an individual may be eligible for benefits, Customers or family members may obtain benefits only once per calendar year."

2. All other terms of Resolution No. 93-715 not herein amended shall remain in full force and effect.

ADOPTED by the Board of Commissioners of Lakehaven Utility District, King County, Washington, at an open public meeting thereof this 15th day of June, 1995.
