WHEREAS, on October 23, 1997, the Board of Commissioners of the Lakehaven Utility District, King County, Washington duly adopted Resolution No. 97-833, setting forth the proposed establishment of a street lighting system to serve the area described as Sterling Meadows, and

NOW THEREFORE,

BE IT RESOLVED by the Board of Commissioners of the Lakehaven Utility District, King County, Washington, as follows:

SECTION 1: That street lighting for the realty described as follows:

Lots 1 through 25, Sterling Meadows,

is hereby ordered to be provided by the District, subject to Sections 2 - 5.

SECTION 2: That property owners served by said street lighting will pay to the District upon the effective date of the provision and thereafter the sum of \$2.00 per month for the operation and maintenance of street lights, or such other sum as shall from time to time be determined by the Board of Commissioners.

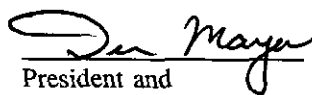

SECTION 3: The effective date for provision of service shall be subject to the filing, prior to January 10, 1998, of a petition in opposition to the street lighting system established herein by at least forty percent (40%) of voters registered in the area to be served by the system.

SECTION 4: In addition to the filing period referenced in Section 3 above, service shall be subject to the submission of a written request for street light activation, signed by the property owners whose names appear on the petition, which shall be provided not less than thirty (30) days prior to actual activation. Unless waived by the District for good cause, all street lights within the system shall be activated simultaneously.

SECTION 5: In accordance with R.C.W. 57.08.060 and 56.08.075, the District shall have the same powers of collection for delinquent street lighting charges as the District has for collection of delinquent water and sewer service charges.

PETITION for STREET LIGHTING SERVICE

TO

LAKEHAVEN UTILITY DISTRICT

King County, Washington

TO: Board of Commissioners
Lakchaven Utility District
King County, Washington

Sterling Meadows

THE UNDERSIGNED, who constitute not less than sixty percent (60%) of the owners of the area of land for which street lighting service is petitioned, respectfully petition that the property described on Exhibit "A" attached hereto, be provided street lighting service by Lakehaven Utility District, King County, Washington.

We understand that in the standard street light system configuration, where one street light is installed to serve six lots, a monthly service charge of \$2.00 per lot or such sum as the Board of Commissioners may determine is reasonable for the service provided, pursuant to inflationary increases and/or rate increases from Puget Sound Power and Light Company, shall be levied upon formation of the street lighting system and expiration of the 30 day period for filing appeals, which appeals must be filed with the Board by no less than 40% of the voters registered in the area to be served. In circumstances where the street lights serve more, or less, than six lots, then the amount of the monthly charge shall be adjusted such that the District receives the equivalent \$12.00 cost, or such other sum as the Board shall establish, from the properties served thereby. The appeal period commences upon the Board of Commissioners' approval of the street lighting system. Multiples of the monthly sum may be charged when less than six (6) lots are paying for a street light. Said monthly service charge shall be collectable by Lakehaven Utility District in the same manner as water service charges, i.e., lawsuit, termination of service, lien and foreclosure.

Based on the number of lots for the above mentioned development, the individual charge per lot shall be \$2.00 per month.
