NOTICE OF EMPLOYMENT

POSITION TITLE:	Field Operations Maintenance Person
UNION:	International Union of Operating Engineers
RESPONSIBLE TO:	Field Operations Supervisor or designee
POSTING DATES:	Open 7/28/21 Until Filled (first review of applications will be 8/11/21)

Accepting applications from internal and external applicants.

Lakehaven Water and Sewer District has an immediate opening for a Maintenance Person in the Field Operations Department. Applications will be accepted for any level in the position range shown below.

Position Range	Pay Level	Hourly Pay Range
MAINTENANCE PERSON I	7	\$25.67 - \$38.66
MAINTENANCE PERSON II	8	\$26.95 - \$40.58
MAINTENANCE PERSON II	9	\$28.33 - \$42.61

As a Lakehaven Maintenance Person, you will be part of a team that has been recognized by the National Association of Clean Water Agencies for its environmental stewardship and has been a long-standing member of the American Water Works Association. Lakehaven has a service area population of over 135,000 people living across a 35 square mile area in south King County, making us the second largest special-purpose water and sewer district in the state. Our water system includes 450 miles of water mains, 25 active wells and 12 storage tanks, which allows us to meet a current annual average water demand of 10 million gallons per day (MGD) from the community. Lakehaven also has two wastewater treatment plants, 27 sewer lift stations, and 350 miles of sewer mains capable of collecting and treating up to 15.6 MGD. Our employees work hard to produce and treat high quality drinking water and to ensure treated wastewater adheres to EPA standards which safeguards the local ecological system of Puget Sound. If you want to work for an award-winning, innovative utility with competitive pay rates, career advancement and training opportunities, this is the right opportunity for you.

Our Field Operations team performs field data collection, maintenance, and construction work throughout the water and wastewater facilities of the District. Routine duties include meter reading, building maintenance, operating and maintaining valves/pumps in sewer pumping stations, sewer pipe cleaning, installation and repair of water lines and hydrants using backhoes and hydro excavators, flagging, and erosion control work. Position placement and pay is dependent upon experience and qualifications.

The successful candidate should have some combination of the following:

- High school diploma or GED supplemented by one (1) year of experience in a similar work situation or any combination of relevant education and experience demonstrating competency.

- Basic mechanical ability. Knowledge, and skill in using hand tools, power tools, instruments, equipment, radios, and materials used in waterworks.
- Basic knowledge and ability to operate heavy equipment.
- Ability to perform manual labor and withstand exposure to variable weather conditions, loud noise, hazardous chemicals and odors, and enter confined spaces.
- A Washington State “Wastewater Collection Specialist I (WWC I)” certification is highly desired, but not required.
- Commercial Drivers License desired but not required at time of hire.

BENEFITS:

- State of Washington Department of Retirement Systems PERS Plans
- Central Pension Fund Retirement Plan
- State of Washington Health Care Authority’s Medical, Dental, Vision benefit programs
- Paid Time Off
- Holiday Pay
