### NOTICE OF EMPLOYMENT

<b>POSITION TITLE:</b>	<b>Electrical and Control Systems Manager</b>
<b>REPRESENTED BY:</b>	<b>Non-Represented</b>
<b>RESPONSIBLE TO:</b>	<b>Engineering Manager or designee</b>
<b>POSTING DATES:</b>	<b>2/10/2022 - Open until filled</b>

Lakehaven Water and Sewer District has an immediate opening for an Electrical Control Systems Manager.

#### **Electrical and Control Systems Manager (Level 17)**

Salary Range: \$52.14 - \$68.47/hour

As a Lakehaven Electrical and Control Systems Manager, you will be part of a team that has been recognized by the National Association of Clean Water Agencies for its environmental stewardship and has been a long-standing member of the American Water Works Association. Lakehaven has a service area population of over 135,000 people living across a 35 square mile area in south King County, making us the second largest special-purpose water and sewer district in the state. Our water system includes 450 miles of water mains, 25 active wells and 12 storage tanks, which allows us to meet a current annual average water demand of 10 million gallons per day (MGD) from the community. Lakehaven also has two wastewater treatment plants, 27 sewer lift stations, and 350 miles of sewer mains capable of collecting and treating up to 15.6 MGD. Our employees work hard to produce and treat high quality drinking water and to ensure treated wastewater adheres to EPA standards, which safeguards the local ecological system of Puget Sound. If you want to work for an award-winning, innovative utility with competitive pay rates, career advancement and training opportunities, this is the right opportunity for you.

This position is responsible for managing the District's Electrical and Control Systems (E/CS) section within the Engineering Department. Responsibilities include coordinating, planning, and directing the District's E/CS staff on a daily basis, and ensuring that all electrical and control systems for water, wastewater and administrative facilities are maintained, repaired or upgraded in accordance with District standards and local/state/federal regulations. Supervises and evaluates the performance of employees within the E/CS section, and acts as a project manager on some capital improvement projects.

Position placement and pay is dependent upon experience and qualifications.

**BENEFITS:**

- ◆ State of Washington Department of Retirement Systems PERS Plans
- ◆ State of Washington Health Care Authority's Medical, Dental, Vision benefit programs
- ◆ HRA VEBA Account
- ◆ Paid Time Off
- ◆ Holiday Pay

Does this sound like the job for you? Visit our website at [www.lakehaven.org](http://www.lakehaven.org) for the position descriptions and application. (Note: please identify that you are applying for the Electrical and Control Systems Manager position on your application.)

Lakehaven Water and Sewer District is an Equal Opportunity Employer. Individuals interested in applying for this position **must** submit a completed Cover Letter, Resume, and District Application, to [dlemaster@lakehaven.org](mailto:dlemaster@lakehaven.org) (preferred) or mail to: Lakehaven Water and Sewer District, c/o HR, 31627 1st Avenue South, Federal Way, WA 98003.
