COMMERCIAL & NON-RESIDENTIAL SYSTEM USAGE INFORMATION

*NOTE- Below information required for all commercial (non-residential), irrigation & public authority water &/or sewer service connection applications.
Annual Gallons used to calculate Capital Facilities Charges. Max/Min rates used for water service/meter sizing.
Max rate = most fixtures anticipated on at the same time. Min rate = least fixtures anticipated on at the same time, but not zero (0).
If tenant info is not known at the time of application, a 1½” Service Stub Connection may be installed to accommodate 5/8”x3/4”-1½” size meters later.*

| PROPERTIES OTHER THAN SINGLE-FAMILY-RESIDENTIAL PROPERTIES MAY BE CHARGED FOR USAGE EXCEEDING ACQUIRED SYSTEM CAPACITY | | | |

As owner, or with express permission of the owner, of the subject property, I hereby apply for water and/or sanitary sewer service in accordance with the current rules and regulations of Lakehaven Water & Sewer District (Lakehaven), or such rules and regulations of Lakehaven as hereafter made or amended. In addition, I acknowledge, agree to, and certify, by my signature below, the following:

- Applicant hereby agrees to identify property corners and/or easement boundaries to assist with the proper location of the water meter(s), and that clearly marked stakes will be used for such purpose. Applicant hereby acknowledges Lakehaven’s recommendation, for properties that have not been surveyed, that Applicant secure at Applicant’s expense the services of a licensed land surveyor to locate and document the property corners and/or easement boundaries. In the event of any errors relative to staking or marking, Applicant hereby agrees to pay all costs to Lakehaven to abandon the installed meter, and to relocate and install a meter in the correct location, including applicable deposits for the work.
- Applicant understands and by his/her signature to this application agrees to indemnify, defend and hold harmless Lakehaven, its agents and employees from and against any and all claims, losses or liability, including attorney’s fees arising from injury or death to persons or damage to property occasioned by any act, omission or failure of the Applicant, his officers, agents and employees, in performing the work authorized by this permit. This paragraph shall not apply to any damage resulting from the sole negligence of Lakehaven, its agents and employees. To the extent any of the damages referenced by this paragraph were caused by or resulted from the concurrent negligence of Lakehaven, its agents or employees, this obligation to indemnify, defend and hold harmless is valid and enforceable only to the extent of the negligence of the, his officers, agents and employees.
- Applicant agrees to allow Lakehaven personnel to enter onto Applicant’s property as, or if, necessary for the purpose of recording water usage, &/or other necessary operation & maintenance tasks performed on Lakehaven-owned water system facilities.
- It is Applicant’s responsibility to know Lakehaven’s requirements and any applicable City, County, or State requirements or regulations. Lakehaven may waive any of the above requirements. Such waiver or waiver by acquiescence by Lakehaven of any provisions or conditions stated above shall not be a waiver of any other provision or condition of this permit.
- I hereby certify that the information provided on this application is true and correct and that the applicable requirements of Lakehaven will be met. Missing and/or incomplete information will delay processing.
- Application will expire 30 days after date of application, without notice, and a new application will be required to be submitted at that time. Service connection costs are subject to applicable fees, charges, & deposits at the time a complete application for service is received by Lakehaven.
